Quality Policy

Carfax Commercial Constructions is committed to a Quality Policy and the maintenance of an Integrated Management System, which will allow us to maximise our efficiency and productivity to meet the organisation's goals and objectives of customer satisfaction, staff satisfaction and profitability.

To achieve these goals, the organisation has implemented and will continually improve an Integrated Management System in accordance with ISO 9001 which will be applied to the processes we follow in order to provide products and services to our customers.

This Integrated Management System is the assurance to our customers that Carfax Commercial Constructions will conduct our business with due regard to contractual, legal and regulatory requirements, providing services that consistently meet the needs and expectations of our customers.

We believe that the provision of quality-based products and services will provide the cornerstone for future competitive advantage, enhance our reputation and promote our long-term success, thus providing a stable base for ongoing customer and staff satisfaction.

All management, staff and subcontractors are informed of this quality policy and of their responsibility to comply with the requirements of our Management System.

This Quality Policy is available to relevant interested parties upon request, and can be viewed on the Company website (www.carfax.com.au)
